Jen,

I think the main objective of this meeting is to see if we have closure on key RI/RA issues. Keith, can you circulate before the meeting a list of those issues and their status? Thanks, Jim.

Hey Jennifer,

I plan to be at the meeting on Wednesday along with a NOAA colleague that I'd like to introduce to the group. Greg Gervais is going to begin providing support on the FS. I'll let him tell you all a little more about himself on Wednesday, but I think he'll bring a strong set of skills and experience to the table.

See you next week.
